ASSESSMENT OF SONOGRAPHY QUALIFICATIONS GAINED OUTSIDE OF AUSTRALIA

This process is for all applicants (including Australian citizens) who have undertaken a sonography program outside of Australia who require a skills assessment letter for migration purposes and/or wish to be registered with the Australian Sonographers Accreditation Registry (ASAR).

Application is received and a pre assessment review undertaken. If there is missing documentation, the applicant will be contacted. Application is held and not sent for to the assessors for assessment until documentation is received.

Applicants will be provided a time period of six months to provide missing documentation, or request an extension of time.

When all documentation is present, the application is processed and the applicant is sent an acknowledgement letter and receipt for payment via email. The assessment processes commences at this point.

Application is sent to external assessors (sonography clinicians and experts) for assessment.

If further documentation is required while the assessment is underway, the Professional Standards Manager will relay this information to the applicant. Documentation received from the applicant will then be passed back to the requesting assessors for review.

At the conclusion of the assessment, the chair of the overseas assessment panel will undertake a final review. Documentation will be sent to the applicant with either:

- 1) Unconditional Recognition
- 2) Conditional Rejection
- 3) Rejection
