

# ASMIRT MASTERCLASS

a recipe for success

**REGISTER  
NOW**

All medical radiation practitioners are invited to join us for a **FREE** in person event.

- Presentation topics include neurodiversity, clinical education, theranostics, career progression, research opportunities, person centred care and more.
- Get up to date with the latest from your professional society ASMIRT, including ways to get involved with the QLD Branch
- The ASMIRT Board and QLD Branch welcome all delegates to join them for a hosted networking function at the end of the day from 5:00pm-6:30pm.

Take the opportunity to learn new skills, update your knowledge and network at this event that's not to be missed.

**SATURDAY  
21 JUNE 2025  
1.00PM – 6.30PM,  
ALTITUDE NINE,  
MAROOCHYDORE, QLD**

**PERSON CENTERED CARE  
WORKSHOP 21 JUNE 2025  
9.00AM – 12.00PM  
(FREE TO THE FIRST 25 ASMIRT MEMBERS)**

The Person-Centred Care (PCC) addresses pressures and distractions in healthcare, emphasizing the patient experience. It covers PCC overview, self-care techniques, and experiential learning. Open to students and MRPs who want to reconnect with their purpose in helping people.
