

ASMIRT QLD Student Committee presents

RT STUDENT PANEL Q&A SESSION AND NETWORKING EVENING

**FREE
EVENT***

PLACEMENT EXPERIENCES & CAREER INSIGHTS

Hear it from those who've been there! This interactive panel event features **4th-year Radiation Therapy students** sharing their real-world placement experiences, tips for navigating clinical environments, and what they wish they knew earlier. Whether you're just starting out or currently on placement, this session is a unique opportunity to gain practical advice, ask questions, and connect with peers on the same journey.

Ideal for Radiation Therapy students of all levels looking to build confidence and clarity in their studies and career path. This face-to-face event will consist of a 1-hour Q&A panel followed by 1 hour of networking.
