Frequently Asked Questions

What is and who is eligible for ongoing protection in retirement (“Run-off Cover”)?

Run-off cover is an insurance clause found in the majority of ‘claims made’ policies to deal with liabilities incurred post-retirement or after the sale or winding up of a business. Eligible members who retire during the policy period are automatically covered until the expiry date of policy. Importantly, ASMIRT's Group policy also provides cover to *past* eligible members of ASMIRT so that run-off protection continues in your retirement.

If you are thinking of returning to the profession, you will need to contact ASMIRT and renew your membership.
