

ASMIRT NSW Branch presents

NSW STUDENT PAPER NIGHT

STREAMED FROM 5 UNIVERSITIES

Join us for an exciting Student Paper Night! Streaming from five separate NSW universities, this event is a fantastic opportunity for medical radiation professionals and fellow students to observe NSW students showcase their research and insights on medical imaging, radiation therapy, nuclear medicine, and sonography. Prizes awarded for best papers. Who will represent NSW at ASMIRT 2026 and compete for the national prize?

Abstract submissions close 17 September 2025
