

ASMIRT CEC Qld Branch presents

# STUDENT PAPER NIGHT

**RESEARCH PROJECTS + CASE STUDIES**

QUT and CQU students are invited to submit their abstracts and showcase their research and literature reviews, contributing to a comprehensive look at contemporary practices in medical radiation science. Compete for the Best MI, NM, and RT Student Papers of 2025, with winners earning the opportunity to present at ASMIRT 2026 in Hobart and vie for the National Student Prize.

Attendees are encouraged to register and support our emerging professionals as they share their work and step forward as the future of the profession
