

User Guide

This guide will help you login for the first time and begin accessing all the available content. You can access ASMIRT eLearning here: elearning.asmirt.org

Logging into ASMIRT eLearning

Login or create an account using your email

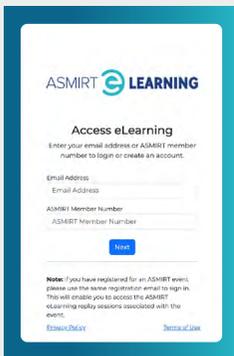

ASMIRT Members

Enter your ASMIRT member portal login email or your membership number

Non-ASMIRT Members

Enter your email address

Note: If you have registered for an ASMIRT event, please use the same registration email to sign in

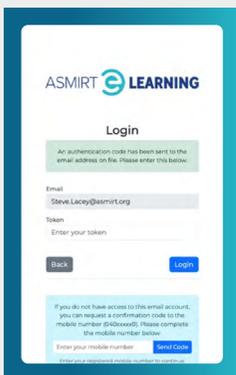

Can't remember your ASMIRT member email or membership number?

Don't panic – just enter your email address and the system will check if the email address is on file. If your email address is not on file, follow the prompts to create a new user profile.

When you enter your email or membership number, a token will be sent to your email that you can enter here.

If your mobile is registered with ASMIRT, you can enter your mobile number in the space at the bottom of the page to receive a token on your phone.

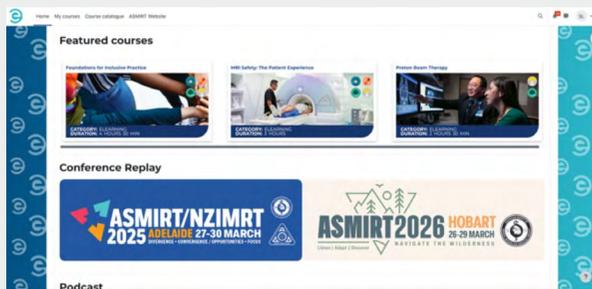

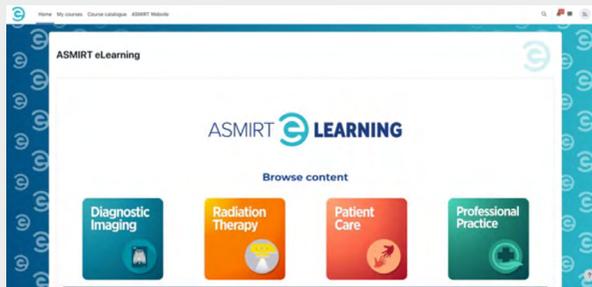

If you are a new user, view and accept the ASMIRT Privacy Policy and ASMIRT eLearning Terms of Use to proceed.

Trouble logging in?

Visit ASMIRT eLearning in booths 26 and 27 in the exhibition hall (during the conference) or contact ASMIRT directly on (03) 9419 3336

User Guide

Accessing ASMIRT 2026 Conference Recordings

On the main home page, scroll to 'Conference Replay' and click on the ASMIRT 2026 conference banner. This will take you to all the conference sessions in the course catalogue.

Alternatively, you can navigate directly to the course catalogue at the top of the home page then search for the session you wish to watch.

Anyone who registered for the 2026 conference has full free access to all available 2026 conference sessions for 12 months.

Take the time to browse the other ASMIRT eLearning content.

You can watch previous webinars, listen to RadPod episodes, and engage in self-directed CPD courses.
