Upload supporting statement from reference 1 (this can be in a word or PDF format).

The supporting statement(s) from a senior member of your workplace management team and/or academic department, should include details of your research skills, level of involvement in research activity and any relevant achievements to date.

An important aspect of this program is to appropriately match mentees with mentors who can best assist them with achieving their stated research goals. As such, not all mentors may be utilised in the current round of the program.

Would you agree to being part of a mentor pool to be used in future rounds of the program?  
Please note that contact would be made with you prior to future rounds to confirm your continued availability to be involved.

Yes  No

I confirm that my workplace management team and/or the academic department team has understood and agreed to the conditions of the program.
