How to Apply for This Insurance

Throughout this document when we are referring to *your* insurance broker or adviser, we simply refer to them as *your* intermediary.

If *you* are interested in buying this product or have any inquiries about it, *you* should contact *your* intermediary who should be able to provide *you* with all the information and assistance *you* require.

If *you* are not satisfied with the information provided by *your* intermediary, *you* can contact us at the address or telephone number shown on page 4 of this document. However, we are only able to provide factual information or general advice about the product. We do not give advice on whether the product is appropriate for *your* personal objectives, needs or financial situation.

Our Group Journey Injury Insurance

AFA Group Journey Injury Insurance allows *you* to tailor the cover for *your* requirements. Cover can be arranged by *you* (referred to as the *insured*) to cover *your* employees (referred to as the *insured persons*) in the event that an *insured person* suffers *injury* as a direct result of an *accident* and where the *injury* occurs during the *journey*.

The policy generally operates 24 hours a day, seven days a week, anywhere in the world where the *injury* occurs during the *journey*. However, this can be customised for *your* requirements and will be shown on *your* *schedule*.

For a summary of additional benefits available to *you*, see 'Benefits of cover available' on page 10.

Our Contract With You

This policy is a contract of insurance between the *insured* and us and contains all the details of the cover that we provide. The policy is made up of:

- the policy wording which begins at page 12 of this document. It tells *you* what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;

- the information *you* provide to us when applying for insurance cover;
- *your* most current policy *schedule* issued by us. The *schedule* is a separate document unique to *you*, which shows the insurance details relevant to *you*. It includes any changes, exclusions, terms and conditions made to suit *your* individual circumstances and may amend the policy; and
- any other written change otherwise advised by us in writing (such as an *endorsement* or a supplementary PDS).

These written changes vary or modify the above documents.

Please note, only those Covers shown as covered in *your schedule* are *insured*.

This document is also the PDS for any offer of renewal we may make, unless we tell *you* otherwise. Please keep *your* policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.

Words With Special Meanings

We italicise terms in this PDS, to show that words are abbreviations or have a particular defined meaning. *You* should refer to the Definitions in this document to obtain the full meaning of such terms.

About an Insured Person

An *insured person* has a right to recover under this policy only through Section 48 of the Insurance Contracts Act 1984 (Cth) and is not a party to the contract of insurance. Only the *insured* is able to vary or cancel the policy.

When the Insured Person's cover starts and ends

An *insured person's* ability to access cover:

- starts at the time the relevant person becomes an *insured person*; and
- ends at the earliest happening of the following:
 - (a) the relevant person is no longer meeting the criteria specified in the *schedule* for an *insured person*;
 - (b) the date and time *you* request that such *insured person* ceases to have access to the benefits under this policy; or
 - (c) the date and time this policy ends in accordance with the policy terms, either because the *period of insurance* has ceased and the policy has not been renewed with us or this policy has been cancelled in accordance with the policy terms.

Significant Issues to Consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that *you* should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make to *you* if *you* have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of *your sum insured* shown in *your schedule* or some other amount, factor or item specified in the relevant clause of *your* policy.

You should be aware of the following matters in considering whether this product is suitable for *your* needs.

Excesses can apply

An excess may apply to claims made under each of these Parts. An excess is not an additional fee, charged by us at the time of making a claim. Rather, it is the uninsured first portion of a loss for which *you* are otherwise covered, i.e. the amount that *you* must contribute towards each claim.

We are able to provide options to quote higher or lower excess or excess *period* alternatives in certain circumstances, which will either decrease or increase *your* premium, depending upon the options requested.

The excess and excess *period* applicable to *your* policy is specified in the *schedule*. There are also other excesses which are specified in the policy wording.

Coverage Conditions and General Provisions

Coverage Conditions and General Provisions set out *your* general obligations with which *you* need to comply. Please refer to page 20 and 23. *You* should read the policy wording and make yourself aware of all the terms, coverage conditions and general provisions that apply. If *you* do not meet them, we may be able to decline or reduce the claim payment or cancel *your* policy.

Exclusions

This policy contains exclusions, some of which are common in insurance policies and some may be less common, and as such may be unexpected. *Your* policy excludes or limits cover in the following circumstances, we may not pay for death, *injury* or disability arising from:

- any deliberate, illegal or criminal acts inflicted by or on behalf of an *insured person*, or any other person acting with their consent or at their direction;
- being in an aircraft or aerial device, unless as a passenger; or
- the suicide, attempted suicide, or deliberately self-inflicted *injury* of the *insured* or an *insured person*.

An example of a less common exclusion is found on page 23 which exclude cover for death or *injury* arising from training for or participating in a *professional sport*.

The above are some of the events that are not covered by this policy. Before making a decision about whether to purchase this policy, *you* should read the full details of all relevant exclusions, which are contained in the policy. Please refer to the General Exclusions on page 23 to ascertain if the cover is adequate for *your* requirements.

Make sure you have the cover you need

You should discuss with *your* intermediary the appropriate amounts and risks for which *you* need to be *insured*. If *you* do not adequately insure for the relevant risks *you* may have to bear any uninsured losses yourself.

You should also advise *your* intermediary to notify us as soon as possible, when *your* circumstances change which are relevant to *your* policy.

Cooling Off Period

After *you* apply for a AFA product and *you* have received the policy document, *you* have 21 days to check that the policy meets *your* needs. Within this time *you* may cancel the policy and receive a full refund of any premium paid, unless *you* have:

- made a claim or become entitled to make a claim under *your* policy; or
- exercised any right or power *you* have in respect of *your* policy or the policy has ended.

Your request will need to be forwarded to us via *your* intermediary or to the address shown on page 4 of this document.

You can cancel *your* policy at any time after the cooling-off period. Please refer to 'Cancellation' under General Provisions on page 25.

Your Duty of Disclosure

For *insureds* who are not a natural person, before *you* enter into an insurance contract, *you* have a duty to tell us anything that *you* know, or could reasonably be expected to know, may affect our decision to insure *you* and on what terms.

You have this duty until we agree to insure *you*.

You have the same duty before *you* renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure *you* for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive *your* duty to tell us about.

Individuals

If *you* are the *insured* and *you* are a natural person, a different duty of disclosure to the one set out above applies to *you*. Contact *your* intermediary or us to ensure *you* are notified of *your* duty.

If you do not tell us something

If *you* do not tell us anything *you* are required to, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

How We Calculate Your Premium

The amount of *your* premium is determined by taking a number of different matters into account. *You* can seek a quote at any time.

It is important for *you* to know in particular that the premium varies depending on the information we receive from *you* about the risk to be covered by us. The higher the risk is, the higher the premium will be. Based on our experience and expertise as an insurer, we decide what factors increase our risk and how they should impact on the premium. Each insurer can do this differently.

In this product the factors that are taken into consideration include the following:

- the business of the *insured*;
- the activities undertaken by *insured persons*;
- benefit limits chosen; and
- the excess amount *you* elect. This means that when *you* purchase a policy *you* may elect to take a larger excess in the event of a claim, which will reduce the cost of *your* premium. If *you* are interested in this, *you* should ask *your* intermediary to supply *you* with quotes based on differing excess or excess period amounts.

Your intermediary can arrange for *you* to be provided with a quote for a premium. *You* will need to give *your* relevant personal details to *your* intermediary at this time to enable us to calculate the premium.

Another important thing to know is that *your* premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST and Fire Services Levy) in relation to *your* policy. These amounts will be set out separately in *your* schedule as part of the total premium payable.

How and when you pay your premium and what happens if you don't pay?

Premiums are calculated on an annual basis and maybe payable on either a yearly basis or instalment basis (which will be advised in the quotation provided by us). *Your* intermediary can also tell *you* what other methods are available to make *your* premium payments.

Your intermediary should send *you* an offer of renewal of *your* insurance once a year, before *your* current period of insurance expires. If *you* do not pay *your* premium when due, *your* policy may lapse after 30 days and *you* will not be covered. *You* may be able to reinstate *your* policy after it lapses, but *you* must submit an application to us, which is subject to our reassessment of *your* personal circumstances at the time of application.

How to Make a Claim

If *you* need to make a claim, please refer to Claims Procedures on page 24. If *you* have any queries, please contact *your* intermediary as soon as possible, or call us on 1300 728 997.

Where an *injury* requires surgical treatment which cannot be performed within 12 months from the date of that *injury*, provided the *insured person* can demonstrate that such treatment was known as necessary during that 12 month period and a *medical practitioner* certifies this, we will treat this 12 month period as a continuation of the first *injury* regardless of whether the *insured person* has been able to return to work for 6 months, provided surgery does not occur in a period in excess of 24 months from the original date of *injury*. Note, any continuation benefits shall still not exceed the total maximum Benefit Period as shown in the *schedule*.

All benefits will cease upon the earliest happening of the following:
 - (a) the *insured person* is medically certified either by *your treating medical practitioner or mental health practitioner* or an independent *medical practitioner* appointed to examine the *insured person* by us, as fully fit to resume work in their *usual occupation*; or
